## Foreign Service Youth Foundation Formed

A group of individuals interested in supporting and extending AWAL (*Around the World in a Lifetime*), programs has formed the *Foreign Service Youth Foundation*. The Foundation will establish a youth advocacy network linking Foreign Service teens in the United States and abroad and develop a comprehensive service program to meet the unique needs of Foreign Service young people.

Initial funding for the Foreign Service Youth Foundation has been provided by the *Una Chapman Cox Foundation*, the *Association of American Foreign Service*

*Women (AAFSW) and AWAL*. Presently the Board of Directors of the Foundation include: Michael Adler (USAID), Cathy Dean and Kay Eakin (AWAL Steering Committee), Nancy Forbord (State Department parent), Helen Fouche (Association of American Foreign Service Women), Nancy Hall (AWAL Parent Group), Lee Lacy (Overseas Briefing Center), Teresa Lauderdale (former AWAL Group Leader/Coordinator), Joel Levy (USIA parent), and Maryann Minutillo (Family Liaison Office).

Individuals interested in the Foundation are invited to contact Lee Lacy at the OBC (875-5434), Maryann Minutillo at the FLO office (647-1076), Helen Fouche, AAFSW, (534-6883), or any other member of the Board.
